

2012 SUBSCRIPTION INFORMATION

Volume 1

Number 1

ISSN 1815-2406

Communications in Computational Physics

Journal Title

Communications in Computational Physics

ISSN: 1815-2406

Impact Factor 2010

1.835 (Top 25% among the 54 mathematical physics journals)

CiCP publishes original research and survey papers of high scientific value in computational modeling of physical problems.

10 issues per year

2406 pages in 2010; 2217 pages in 2009

Price for 2012 Print and Electronic: **US\$840** / Electronic only: **US\$720**
