

价值与秩序：铸牢中华民族共同体意识与边疆治理

罗静

摘要：铸牢中华民族共同体意识是新时代党中央的重大理论创新。在新的理论指引下，作为国家治理体系重要组成部分的边疆治理与铸牢中华民族共同体意识有何逻辑关系，边疆治理有何新的时代内涵，是亟需回答的问题。铸牢中华民族共同体意识是边疆治理的思想根基和价值规范，在价值意义上是评价边疆治理成效的基本维度。边疆治理的目标是维持边疆社会的良好秩序，事关中华民族共同体长久续存的核心问题，因此，边疆治理在功能意义上是铸牢中华民族共同体意识实现的路径。所有的价值规范最终要落地，都体现为具体的治理过程。铸牢中华民族共同体意识与边疆治理之间构成了价值与秩序的互构关系，铸牢中华民族共同体意识成为边疆治理的价值目标，从而消解了边疆在国家内部结构中的边缘性，为新时代边疆治理指明了方向。

Value and order: The mutual construction of the sense of community for the Chinese nation and borderland governance

Jing LUO

ABSTRACT

Forging a strong sense of community for the Chinese nation is a major theoretical innovation of the CPC Central Committee in the new era. Under the guidance of the new theory, what is the logical relationship between the borderland governance as an important part of the national governance system and the sense of community for the Chinese nation? What is the new connotation of the times in borderland governance? These questions need to be answered. Forging a strong sense of community for the Chinese nation is the ideological foundation and value orientation of borderland governance, which is the basic dimension of evaluating the effectiveness of borderland governance in a value sense. Good borderland governance is the core problem for the long-term survival of the community for the Chinese nation. The logical relationship between the sense of community for the Chinese nation and the borderland governance is the mutual construction of value and order, and the sense of community for the Chinese nation has become the value goal of the borderland governance, thus dispelling the marginality of the borderland in the internal structure of the country and pointing out the direction of the borderland governance in the new era.

KEY WORDS

Borderland governance; Internal order of the country; Forging a strong community for the Chinese nation
